

Patent Application
Attorney Docket No. PC10973B

REMARKS

Applicants thank the Examiner for the allowance of Claims 19-22. In an effort to expedite allowance of the remainder pending claims, Applicants amended Claims 1, 14 and 15, deleting the terms solvates and polymorphs. Applicants also amended Claims 14 and 15 to correct the former dependency from a cancelled claim. Finally, Applicants amended Claim 15, deleting the term "preventing." Applicants reserve the right to file a continuation directed to any unclaimed subject matter cancelled herein.

Applicants respectfully request entry of the amendments herein above, and consideration of the remarks above. If there are any questions, please contact the undersigned.

Respectfully submitted,

Date: March 16, 2006
